

SFI Knowledge Catalyst Connect with Finance Students

Business Development Intern at Elliott Capital

The SFI Knowledge Catalyst provides you with the opportunity to join Elliott Capital, an advisory firm offering services in open innovation, ecosystem building, and FinTech, as a leader in the Swiss ecosystem.

About the role:

This is your opportunity to join Elliott Capital, a company of the future working in the area of FinTech and related convergence from our headquarters in Zurich, Switzerland.

We seek a dynamic young talent to join our team and support managers in developing our business in 2018. The role offers an exceptional individual a deep dive into the world of FinTech.

You learn about reshaping of the financial industry, broaden your network, and get exposure to industry leaders. This is a paid three-month internship which is available immediately on a part-time basis and, if everything goes well, there is a possibility of receiving an offer for a permanent position.

Responsibilities:

- Work with CEO primarily to support execution of growth strategy
- Support of business development activities in daily operations
- Support for projects and sales initiatives
- Preparation of statistics and presentations
- Systematic data collection
- Market research and analysis

Skills and attributes:

- Comfortable in a dynamic and fast-paced environment with competing priorities
- Ability to manage multiple projects simultaneously, well-organised and able to multitask
- Able to use marketing tools like Twitter, FaceBook, Mailchimp, and others to create engaging

All open positions can be found at www.sfi.ch/catalyst → current opportunities.

and professional marketing campaigns

- Demonstrated interest in FinTech, Entrepreneurship or Banking
- Teamplayer, self-dependent and enjoys goal-oriented work
- High level of motivation and commitment

Qualifications/competencies:

- Recent graduate or current student in their last semester in the field of student of Economics, Business Administration, Management or any other subject related to the field of business
- Eligible to work in Switzerland, English is required, German is an advantage
- Proficient in Microsoft Office (Word, Excel, PPT) and Google Docs preferred

About us

[Elliott Capital](#) is a company builder which has been active since 2016. We focus on linking technology with financial services and converging themes. We offer a range of related services to entrepreneurs, investors, companies, and governments. Our knowledge, network, and capabilities are competitive advantages for our clients.
