

SFI Knowledge Catalyst Connect with Finance Students

Master's theses on "Digitalization, Blockchain, and Payments"

Are you looking for a corporate partner for your industry-oriented Master's thesis? The SFI Knowledge Catalyst provides you with the opportunity to write your Master's thesis in collaboration with Lhotse Summit AG.

Lhotse Summit AG is looking for students who would like to write their Master's thesis in the field of digitalization about one of the following topics. The corporate partner will share further information about the project scope directly with the selected candidates.

- **Blockchain as payment-backbone in Switzerland—Chances, risks, and benefits** (further information can be found at: <https://www.linkedin.com/pulse/swiss-franc-blockchain-gedankenexperiment-what-would-has-olaf-klein>)
- **Digitalization in private banking** (follow-up research that builds on this paper's findings: <http://sfi.ch/node/5110>)
- **The international payment system and its problems**, illustrated by a few examples such as Paypal, Ripple, BSI

Start date: Asap

Collaboration: Master's thesis coaching (no internship will be offered).

Interested?

Please send your motivation letter, CV, and university grades (all in one PDF) to Ms Désirée Spöndli at ds@sfi.ch.
